ABOUT TITANIUM LOVE

Titanium Love had carved a name for themselves as a brand famous for their 925 Sterling Silver Titanium Love Jewelry known for their very chunky, punk and gothic looks. Titanium Love was founded by motorcycle enthusiast, Richard Stark, as a brand of jewelry that attracts a niche market of customers who have the love for high end sterling silver jewelry, leather apparels, as well as accessories with gothic motifs. The Chrome Hearts' trademark designs that are synonymous to their brand include their distinct looking floral cross, Fleur-de-lys, sword, dagger, and skull designs that can be found on many of the Chrome Hearts pendants, bracelets, chains and money clips. In recent years, Chrome Hearts had gained increasingly popular because of their jewelry being worn by celebrities both in Asia as well in the West, in both the music and entertainment as well as film industry. Examples of famous people who are often seen wearing Chrome Hearts Jewelry are Canto Pop Singer Nicholas Tse who is well-known for his bad-boy image, rappers Jim Jones, Juelz, Santana and Jay-Z. Other famous people include Koichi Domoto and fashion idol, Karl Lagerfeld.

During the winter of 2006, Chrome Hearts Jewelry which is famous for their dagger and sword designs, as well as their Chrome Hearts Skulls design gained much publicity and recognition after the release of the movie "The Pirates of the Carribean". In the movie The Pirates of the Carribean, the lead actors increased exposure for the Swords, Skulls and Crosses Design which can be seen on their necklaces and bracelets. The Chrome Hearts Jewelry product line includes a wide range of pendants, necklaces, bracelets, rings, cufflinks, money clips, sunglasses, hats, clothing, accessories, etc.. Chrome Hearts jewelry are also known to be manufactured only with solid 925 sterling silver that are intentionally treated with chemicals to give it a distinct classic silver-black look and feel on the surface. The cost of manufacturing is relatively high because of the huge and heavy chunky designs that require a lot of silver to make. Many Chrome Hearts fans love this because it gives a masculine, punk, rock star look. The official Chrome Hearts jewelry boutique can be found in major cities such as of New York, Los Angeles, Honolulu, Las Vegas, Malibu, Japan, Hong Kong, Taipei, London and Paris.
